**SCHOLARSHIP RENEWAL  
2017-2018**

The ABC of Andover Scholarship is renewable on a yearly basis. ABC of Andover provides scholarships to qualified and deserving students who sincerely wish to be members of our program by supporting the overall goals of A Better Chance for themselves and by following the program guidelines.

Students who have maintained those behaviors, both academic and personal, which have promoted the long term goals of ABC of Andover and who have been productive and supportive members of the ABC house family will be invited to return.

We are proud to renew your scholarship. Please notify us of your decision and secure your place by returning this form by **August 18**.

Any questions may be directed to Susan Connolly at (305) 790-5275 or [seconn@bellsouth.net](mailto:seconn@bellsouth.net).
